

IT Dalla A di Accursio alla W di Windmill, dalle riedizioni di icone del passato alle sedute più innovative, immagini e nomi raccontano più di quarant'anni di design, cultura del progetto e scelte di qualità che guidano ogni fase produttiva. Concretezza e creatività, sintesi di pensiero e tecnica ineccepibile si coniugano con i progetti più ambiziosi. Un compendio in cui divani, poltrone, sistemi di sedute e tavolini diventano una collezione sola che narra visivamente l'autentico made in Italy di LaCividina.

EN From A for Accursio to W for Windmill, and from re-released past icons to the most innovative seating. Pictures and names tell the story of more than 40 years of the projects, design culture and quality-oriented decisions behind every stage of the production process. Concrete approaches, creativity, concise thinking and exemplary technique are combined with the most ambitious projects. Sofas, armchairs, seating selections and tables have been fused in a single collection that visually tells the tale of LaCividina's quintessential Italian output.
